2020 Summer Travel Team

Our Summer Travel Team package for Junior's is one of our most valuable development tools. For players in Levels 3.5 thru 4.5 the combination of camps and matches against other clubs have always produced remarkable improvement in their tennis skills as well as providing match experience. All of the clubs are less than a one-hour drive. Car pools are arranged for away matches. In response to requests for more flexible scheduling during the busy summer season we are offering two levels of commitment. We hope having this option will enable even the busiest summer-fun seeker to enjoy the benefits of the Traveling Team!
